Visit top 50 retail outlets

RK

Ravi Kumar · Team Member

Today, 9:12 AM

I grouped the visits by territory to reduce travel time. Please review the Uttara allocation.

Reply

MS

Replying to Ravi Kumar

Mahmud Sahiuddin · Supervisor

Today, 9:34 AM

The allocation looks reasonable. Please confirm that the top 10 outlets are included.

Review monthly usage, select Master Tasks, then press Enter or Save Tasks.

Master Task usage in September

Counts include your tasks in every workflow status.

0 used

4 not added

☐ Select all available tasks

4 Master Tasks

☒ Dealer point business review

Field Visit · Dealer Point Visit · Daily Activity

Review sales, stock, collection, and service issues with the distributor.

Not added yet

☐ Monthly distributor meeting

Admin · Distributor Meeting · Monthly Activity

Conduct the monthly business review and record agreed actions.

Not added yet

☐ Priority outlet coverage

Field Visit · New Outlet Coverage · Daily Activity

Visit the selected priority outlets and record coverage results.

Not added yet

☐ Weekly sales performance analysis

Sales · Weekly Sales Analysis · Weekly Activity

Tasks not yet used are shown first. Monthly counts help prevent unintended repetition; recurring tasks can still be selected when needed.

The selected tasks will be created as editable Drafts on September 15.
